Original Lyrics  
with English Translation:

*Kulało się, kulało  
jabłko po ulicy.  
A gdzież mi się podzieli  
moi zalotnicy.*

*Jeden poszedł na ryby,  
drugi na zające,  
a ten trzeci pasie konie  
na zielonej łące.*

An apple was rolling down the road.  
Where have my suitors gone?

One went fishing,  
the second rabbit hunting,  
while the third took horses  
to graze in the green meadow.
